

# Service Delivery Agreement (SDA)

## WHO WE ARE AND WHAT DO WE DO?

We are one of 16 regional teams established by the Ohio Department of Education to help improve outcomes for all students, with a focus on students with disabilities.

### OUR Vision:

Through collaborative partnerships, SST Region 5 supports each child's journey to reach their greatest potential.

### OUR Mission:

SST Region 5 builds the capacity of schools, families, and community leaders through professional learning and collaboration to support each child's journey to thrive as a resilient life long learner.

## WHAT IS AN SDA?

- 01** An agreement that outlines services that both the SST and the district/school will engage in throughout the current year.
- 02** An agreement that uses information from a district's/school's One Plan and multiple data sources to determine areas of focus.
- 03** Key components of an SDA include services, district & SST actions, persons responsible, and success criteria.
- 04** A fluid document that is jointly reviewed at least three times a year.
