

# High Leverage Practices

For Student Success - 2022-23 Series

## Description

Whether you joined us for the 2021-22 High Leverage Practices Series or are joining us this year for our academy and virtual sessions, we will continue to delve into aligning student outcomes with individual and team goal setting to enhance curriculum, instruction, and assessment. You will have opportunities to network with other regional educators and to engage with the SST5 and Dr. Byran Drost individually and in small groups to continue your learning.
