PBIS TIER III

Challenging Behaviors: Expect Success

Description:

This 2 day Professional Development series is designed to assist Tier III building level teams with strengthening their Tier III processes

At the completion of the training, educational teams will be able to: Utilize a functional behavior assessment process to determine appropriate supports for students with complex needs (PBIS Tier III Support). Identify underlying characteristics and issues that drive students to engage in actions and behaviors that interfere with learning. Develop and implement intervention plans utilizing evidence-based practices that target teaching the student critical skills for academic and social success.

Dates:

To be determined based on Regional needs
